Exhibition Kiosk

We specialize in providing quality, affordable, exhibition stands, display stands and table-top displays primarily for artists but also for general exhibition and display purposes.

Apart from our basic designs we are able to offer a bespoke design service to optimize your requirements.

Kiosks.

We are designers, manufacturers and suppliers of mall kiosks as we have a wealth of trained in-house designers and material expertise. Whether you need big, small, compact or sophisticated, we will be able to create a set up that will perfectly fit the size of your location. If you have space constraints then we will set up a kiosk that makes optimal use of vertical space without distancing the products from the eye level of the customer. We offer standard and bespoke kiosks which has the latest styling with practical features. Our efficient design makes the kiosk a definite crowd puller among the other large shops. It doesn't matter what the location is Instoremasters can design kiosks that are specific to the design and location of the mall. Each Kiosk can be modified to suit the product that it sells whether it is food or other products and accessories.

POS Material

Point-of-sale or also known as POP (Point-of-Purchase) advertising is category in Marketing communication specialized for sales promotion to attract shoppers. This kind of advertising serves as a promoter-reminder for the loyal customers and also can be used for promotion of special events. We are experts to produce all related stuff.

Fleet Branding

Vehicle graphics and branding is not only a popular marketing tool, but it is a very effective & unique form of outdoor moving media which is extremely cost effective way of promoting your brand. Vehicle Graphics also known as Fleet graphics or Transit graphics. There are many advantages of vehicle branding in Saudi Arabia the foremost is graphics attraction or for grabbing more attention. Also the graphics are much larger than any other form of outdoor advertising and hence it can also be focused on a target audience.

Signage / Stickers Branding

We provide retail signage solutions for clients looking to improve recognition of their brand. From global brands to boutique stores, our clients receive support every step of the way. From concept, to manufacturing and installation, our team produces storefront signage, pylons, internal branding, and much more.
